

# European School Education Platform

Discover free certified online courses for today's classrooms. Master topics from AI and financial literacy to wellbeing, resilience, and core skills like numeracy.

## DISCOVER

Content covering school education policy, practice, and innovation across Europe.

## LEARN

Free courses, webinars and self-paced opportunities for professional development.

## TEACH

Ready-to-use classroom resources, lesson plans and eTwinning kits to inspire teaching and projects.

## CONNECT

A space to connect with educators and find partners for eTwinning and Erasmus+ projects.

# Skills that make a difference
